

Dunblane in Bloom Group

Dunblane in Bloom Group

The Dunblane in Bloom Group are really rolling out the barrel this year and have replaced all the Cities half barrels, with a new paint scheme of green and black to match the existing tower beds around the City.

The group have really been busy over the winter and spring despite the inclement weather and will bring much needed colour to the various flower beds around the city, as they have grown some 4000 plants in the Bloom Group poly tunnel which will be planted out in the coming few weeks.

We will also encourage all the City traders to help attract visitors to the city by putting hanging baskets or floral displays of any kind outside their premises, and the winners will be awarded cups in our annual competition which will be judged in late July or early August.

The High street roundabout being planted out with geraniums

The group has been assisted by three Dunblane High School volunteers Scott Cocker, Joe Young and Lewis Giddens who are doing their Duke of Edinburgh award.

Unfortunately we have again been affected by vandalism; however our group of volunteers is adept at fixing things quickly as below.

The tower being re-sited after the Saturday night revelers have vanished.

Some of the volunteers placing one of the many new half barrels which will be planted out soon.

Sandy MacKay who runs Dunblane in Bloom attending one of his many duties watering the plants in the poly tunnel.

The Dunblane in Bloom group recently did a very successful collection weekend at the M&S store in Dunblane collecting £728.00 and our volunteer Heather MacGregor was helped by this young man who was doing a competition to take his bunny around as many places in Dunblane as he could in one day, helped by his Grandad Eddie Campbell.

The DiB group would like to thank all who donated money and M&S for the kind use of their store.
