

DDT's Environment Group

The Group's recent activities have included:

Undertaking a comprehensive survey of the children's playparks in Dunblane and Ashfield - the Midweek Group will be painting the equipment at Mill Row in May.

Initiating consultation on plans to develop the Haugh (Memorial Park) as an attractive amenity for the community.

Securing a grant from Paths For All to upgrade sections of the core paths at the Haugh.

Help & Hostas Wanted

Would you like to contribute to your community by doing some physical work without any forward commitment? Then this project is for you!

DDT's Environment Group is upgrading the paths in the Haugh and at the same time creating the longest hosta border in the country, with the support of Stirling Council & a grant from Paths for All.

Join us! Bring a spade and a pair of gloves!

**Saturday 16th April at 10.00am
at the War Memorial in the Haugh**

If you can't make it that day but still want to donate a hosta, just phone 01786 822752 any time and we will be happy to come and collect it from you.
