

The Future Development of Dunblane Dunblane at a Crossroads?

Dunblane is at a crossroads because there are a number of live development proposals for housing and supermarkets which could radically alter the face of the Town and because the High Street is struggling to maintain the variety and quality of shops that a community the size of Dunblane should be able to embrace.

DDT has a Development Group which is working to address some of these issues by:-

- 1) participating in the Local Development Plan;
- 2) seeking to improve the High Street by working to bring vacant buildings back in to use and working with local merchants to plan improvements to shop fronts;
- 3) working with the Community Council to negotiate 'community benefit' with any potential developers.

DDT's Development Group meets monthly in the Braeport Centre (see right hand column).

DDT & KGT : By mutual consent, the working agreement between DDT and Kippendavie Group Trust has now been terminated.

Meanwhile, at the Haugh...

The Environment Group thanks all those who came to work on the paths, border and litter pick in April at the Haugh. Join us there any Wednesday morning from 9am. Thanks also to the generous people who donated hostas; more are needed - donations welcomed, please phone 822752.
