

THE FUTURE OF the Laighhills?

In line with the Community Plan, DDT is looking at what improvements could be carried out in the Laighhills. A technical report on the walkways and cycle routes has already been produced by one of DDT's members.

Stirling Council has indicated that in about a year's time they will turn their attention to creating a master plan for the park. DDT will work with the Council so that the plans meet the community's needs and aspirations.

In the meantime, funds have been raised to enable the Midweek Group to spruce up the children's play equipment. Further grants will be sought to refurbish the benches.

NEWS FROM THE Environment Group

Memorial Garden The north corner beds of the Memorial Garden are now enclosed by new beech hedging and will be planted up in March thanks to grant funding from Stirling Council's Community Pride Fund. The south beds will be planted in the Summer with funding from the Windfarm Fund.
